

Happy Wednesday Afternoon Community Friends:

Summer temps are here just in time for the opening of the Hales Corners Pool on Saturday, June 16th!

How would you like to market your business or community organization to 50- 500 daily pool patrons, along with thousands of others in the park every day, this summer and next, for picnics, Little League games, basketball, tennis, and volleyball? Not to mention the over 1,200 runners for the Firecracker Four race and the July 4th fireworks!

For the 13th consecutive summer swimming season, the Friends of Hales Park & Pool offer businesses and community organizations the opportunity to purchase advertising on a banner that is hung on the fence surrounding Hales Corners Pool.

This is a win- win opportunity. By purchasing a banner for two summer seasons you can increase your brand and revenue every day for 16 weeks over two summers and, at the same time, you are helping the Friends to raise funds to fulfill our mission (stated below).

Please see below the details of different sizes and costs for the banners.

PROMOTE YOUR BUSINESS AT

friends of
Hales Corners
 PARK & POOL

TWO SUMMER SWIMMING SEASONS

LIMITED SPACE
