

Happy Saturday Community Friends:

The Friends of Hales Corners Park & Pool installed the Alyson Dudek International / Community Ice Rink in Hales Corners Park this morning.

We had 15 hearty Friends volunteers show up on a cold and wintry day to get the ice rink set - up on behalf of the residents in the Village of Hales Corners and the surrounding communities.

Below are just a few pictures from this morning. I'm very proud of each and every one of these folks. Well done!

Thank you for your time.

Sincerely
Donald G. Schwartz, President
