

Happy Sunday Community Friends:

The temporary Alyson Dudek International Ice Rink was set up for the sixth winter season in Hales Corners Park on Saturday, December 15, 2018. Please see the attached pictures.

The Hales Corners Fire Department filled the rink with water on Sunday, December 16, 2018.

With the unseasonably warmer temps recently, the rink will have yellow caution tape around it until the water is entirely frozen which should be by this coming weekend.

A huge thank you to the Friends of Hales Corners Park & Pool volunteers who gave up several hours of their time and effort last weekend to get the community rink set up.

In addition, the Friends are grateful for the assistance from Milwaukee County Parks employee, Brian Danko, who was very helpful to us on both days. Thank you, Brian.

The Friends of Hales Corners Park & Pool volunteers included: Jennine Sonntag, Brian and Lynnette Gerke, Mike Seavert, Andrew Allen, Tony Campoine, Don Paulus, Patrick McBride, Ken Meleski, Suzanne Lirette Schwartz.

Additionally, The Hales Corners Fire Department were outstanding and the rink was filled in about two hours. The assistant Fire chief to Fire Chief Marty Freibergs, (pictured) Artie, ran a tight ship and demanded perfection from the Fire staff. :)

We are blessed in the Village of Hales Corners to have so many great people who are always giving back to our community.

The Friends of Hales Corners Park & Pool are grateful for their support!

Merry Christmas & Happy New Year & Happy Skating!

Sincerely,

Donald G. Schwartz
